ABOUT US

ICE (INTEGRATED CARRIER EXPRESS SDN BHD) is a regional logistic company, focuses on Postal Services to mail out the huge outputs of mails/small packets from China, Malaysia & Thailand to other designated countries resulting from massive success of E-Commerce businesses in China. The strategic logistics advantage must stem from our smart strategic partnership to capitalise on Postal service sector to outdo the existing fast track air courier services from EMS/DHL/FEDEX /UPS and existing warehousing businesses.

Integrated Carrier Express Sdn Bhd (aka ICE Malaysia) provides domestic delivery in Malaysia and business collaboration between POS Malaysia and China's logistics 's partners & clients, ICE has been involved in the international express delivery services, international air cargo import & export business. ICE has also established numbers of partners in Shenzhen, Hong Kong, Guangzhou, Yiwu, Dongguan, Shanghai and Zhengzhou and abroad in the United States, the Netherlands has overseas intelligent storage and cooperation agencies, storage area of 18,000 square meters. Customer base mainly cover AliExpress, Wish, Amazon, EBay, DHgate, et.

Generally, ICE is a Cross-border e-commerce platform logistics service provider.
